

GLP Wins Eight Awards at PERE Global Awards 2019

Second consecutive year GLP is named “Global Firm of the Year”

Singapore, 2 March 2020 – GLP, a global investment manager with US\$89 billion* of assets under management in real estate and private equity funds, is pleased to announce that it has been recognized by Private Equity Real Estate (“PERE”) as the winner of eight awards at PERE Global Awards 2019.

- Firm of the Year – Global
- Industry Figure of the Year – Global (Ming Mei)
- Industry Figure of the Year – North America (Alan Yang)
- Firm of the Year (Asia)
- Deal of the Year (Asia)
- Logistics Investor of the Year (Asia)
- Firm of the Year (China)
- Firm of the Year (Japan)

IndoSpace, a strategic joint venture of GLP, was also named Firm of the Year (India).

“Last year was one that defined and redefined GLP and we are honoured to receive recognition from the industry for our hard work and achievements,” said Ming Mei, Co-Founder and CEO of GLP. “Our success and growth as a global investment firm can be attributed to the hard work and entrepreneurial nature of our team. We believe our combined expertise as operators and investors position us well to be the most sought-after investment partner in the industry for our investors.”

Two notable moments in 2019 included GLP selling U.S. assets from three funds to Blackstone for US\$18.7 billion in the largest-ever private real estate transaction, which affirmed the firm’s decision to enter the U.S. market four and a half years earlier and demonstrated the ability of its team to grow the business and increase the value of acquired assets. GLP also entered into a landmark agreement with China Merchants Group to acquire 50 percent of their private equity arm, China Merchants Capital, to expand GLP’s investment scope further into infrastructure, finance and private equity, and support the core logistics real estate business globally.

GLP also raised more than US\$9 billion of logistics real estate funds across China, Japan and Brazil and expanded its partnerships with new and existing investors.

Also in 2019, GLP leased more than 16.5 million square meters (178 million square feet) globally – the equivalent to 2,300 football (soccer) fields – and is raising additional core fund initiatives across several markets to support its global development pipeline.

The Global PERE Awards recognize significant highlights in the global real estate industry and is highly respected across the global real estate private equity industry.

About GLP

GLP is a leading global investment manager and business builder in logistics, real estate, infrastructure, finance and related technologies. Our combined investing and operating expertise allows us to create value for our customers and investors. We operate across Brazil, China, Europe, India, Japan, and the U.S.

This press release is not an offer of securities for sale or a solicitation of an offer to purchase securities. The information in this press release may not contain, and you may not rely on this press release as providing, all material information concerning the condition (financial or other), earnings, business affairs, business prospects, properties or results of operations of GLP or its subsidiaries. This release may contain forward-looking statements that involve risks and uncertainties. Forward-looking statements include statements regarding the intent, belief and current expectations of GLP or its officers with respect to various matters. When used in this press release, the words "expects," "believes," "anticipates," "plans," "may," "will," "should," "intends," "foresees," "estimates," "projects," and similar expressions, and the negatives thereof, are intended to identify forward-looking statements. Similarly, statements that describe objectives, plans or goals also are forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other companies and venues for the sale/distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses, including employee wages, benefits and training, governmental and public policy changes, and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events and speak only as of the date of this press release. GLP does not undertake to revise forward-looking statements to reflect future events or circumstances. No assurance can be given that future events will occur, that projections will be achieved, or that GLP's assumptions are correct.
